No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is de-certified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein.

If the Customer trades on margin or has short positions, the Customer agrees to be bound by the terms of Your Customer Margin and Short Account Agreement. You may charge the Customer Account maintenance fees, security transfer fees and account transfer fees, and other charges or fees as agreed between You and the Customer's Introducing Broker or as independently established by You.

8. Option Account. Assignment notices for option contracts are allocated among client short positions pursuant to a manual procedure which randomly selects from all client short option positions, including positions established on the day of assignment, those contracts which are subject to exercise. The writer of an American-style option is subject to being assigned an exercise at any time after he has written the option until the option expires. By contrast, the writer of a European-style option is subject to exercise assignment only during the exercise period. A more detailed description of Your random allocation procedure is available upon request. In accordance with the Customer Option Agreement, if applicable, the Customer must promptly notify the Introducing Broker of any change in the Customer's objectives or financial situation. ARBITRATION MUST BE COMMENCED BY SERVICE OF A WRITTEN DEMAND FOR ARBITRATION OR A WRITTEN NOTICE OF INTENTION TO ARBITRATE. THE DECISION AND AWARD OF THE ARBITRATOR(S) SHALL BE CONCLUSIVE AND BINDING UPON ALL PARTIES, AND ANY JUDGEMENT UPON ANY AWARD RENDERED MAY BE ENTERED IN A COURT HAVING JURISDICTION THEREOF, AND NEITHER PARTY SHALL OPPOSE SUCH ENTRY.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is de-certified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein.

If the Customer trades on margin or has short positions, the Customer agrees to be bound by the terms of Your Customer Margin and Short Account Agreement. You may charge the Customer Account maintenance fees, security transfer fees and account transfer fees, and other charges or fees as agreed between You and the Customer's Introducing Broker or as independently established by You.

By contrast, the writer of a European-style option is subject to exercise assignment only during the exercise period. A more detailed description of Your random allocation procedure is available upon request. In accordance with the Customer Option Agreement, if applicable, the Customer must promptly notify the Introducing Broker of any change in the Customer's objectives or financial situation.
